Nippon Yakin Kogyo Co., Ltd

## **Nippon Yakin Kogyo Starts Operations at New India Subsidiary**

Nippon Yakin Kogyo Co., Ltd. is pleased to announce that a newly established subsidiary in Mumbai, India has started its operations.

The establishment of the new subsidiary in India is one of the important measures of the “Medium-Term Management Plan 2023”, in order to promote the sales of high performance alloys for the energy and environmental segment in growing markets such as India, the Middle East and other neighboring countries. We believe that this will enable us to deeply capture the regional market’s demands as well as to further strengthen our global sales structure.

With the establishment of the Indian subsidiary, the operations previously handled by our Singapore subsidiary will be integrated into the India subsidiary.
